

36	Bolingey Channel Walk	Y	Heritage, richness of wildlife.	Y	N 2.7 ha	N	Rewilded former railway track and riverway. On St Piran cycle track. Should qualify as LGS.	Landscape character and landscapes of local significance
9								
No.	Notable Green Space	Close proximity to the community it serves?	Demonstrably special to the local community?	Local in character?	Extensive tract of land (and approx. land area)?	Planning permissions (unimplemented) which could affect LGS designation?	Commentary to inform appropriate policy consideration	Possible Policy / Designation
			recreational value. Attractive woodland including with bankside footpath which will form part of the St Piran cycle track route. Also encompasses disused railway track. Very rich in bird and wildlife.				May also want to protect it though as a safeguarded disused railway track / for the cycle route proposal? Also landscape character, and GI.	Green Infrastructure / Protecting the Quality of Landscape Setting Local Green Space
