St Mabyn Parish Neighbourhood Plan

HAVE YOUR SAY!

Your Parish, Your Future
Help us shape a future
St Mabyn through our
residents' survey

Welcome to our latest survey from the Neighbourhood Plan Steering Group.

The group are working with the local community to create a Neighbourhood Plan covering the whole of St Mabyn Parish.

Our aim is to recognise and respect the distinctive characteristics of the whole of

our Parish, including its individual villages and settlements, while also providing a robust plan for the future.

Thank you to the many people who came to our public meeting back in March. That meeting gave us a lot of ideas and allowed us to set up working parties to discuss various topics that affect residents of the Parish such as housing, the environment, business and the economy.

We now need your help once again. In order for us to start designing draft policies for our Neighbourhood Plan we have put together a detailed residents' survey.

Which way next for St Mabyn Parish?

You can decide

The survey covers a wide range of topics and the questions are based on discussions held at our various working parties.

They are designed to give you a say in how you would like our community to develop in the future.

Your involvement will help to ensure everyone's varied needs are considered whilst protecting what we cherish most about the Parish.

Please take the time to enter the prize draw and return the completed survey in the **FREEPOST** envelope provided.

Alternatively you can complete the survey online at the link below. **CLOSING DATE:** Friday 8th March 2019.
