

Appendix 6 - Cornwall Wildlife Trust Mapping (defined habitat and hedgerow areas of protection)

The following maps (produced by the Cornwall Wildlife Trust) identify the areas which are protected for habitat and biodiversity reasons through policies in this Plan.

These maps are reproduced here simply for reference and broad overview. Therefore, they can also be viewed (and are scale-able to enabled detailed viewing) on our website at <https://www.perranplan.co.uk/documents/> in the “Background Papers” section.
