10	Unsociable hours of work	10/28/2019 9:11 PM
11	Depends on the role we are recruiting for. For example, it is easier to recruit a Teaching Assistant than an experienced Headteacher.	10/22/2019 11:36 AM
12	Quite specific skill set needed. Local college no help with apprentices.	10/21/2019 10:00 AM
13	High staff turnover. Lack of commitment, interest and motivation	10/19/2019 1:18 PM
14	Our requirements are very specific	10/19/2019 11:42 AM
15	Lack of skilled staff	10/19/2019 9:58 AM
16	no staff	10/18/2019 9:19 PM

25	Experience Willingness to work	10/11/2019 9:32 PM
26	Travel distances and lots of differing roles required	10/11/2019 5:11 PM
27	Recruitment is easy enough. Getting people to show up and actually work is always difficult during the summer months as persons would rather be enjoying themselves instead of working serving those enjoying themselves.	10/11/2019 4:29 PM
28	We do not know why it's so hard to find staff, is it because they do not want to work for foreigners, prefer not to work, are lazy or some other reason we haven't figured out. It's worth noting that we pay above the going rate.	10/11/2019 3:58 PM
29	Decline in skilled workers. People being lazy and not wanting to work. Life's to easy.	10/11/2019 3:56 PM

13	The ban of dogs on the beach is negative for perranzabuloe, as well as the tourist attraction we also run holiday lets, all our ventures are dog friendly as a major reason for stay-cations is being able to take your dog with you yet perranporth have a ban on the beach, this is damaging for businesses in the area. Also not enough decent accomodation in the village, all we have are campsites, its good to see new holiday apartments starting to appear to replace the hotel	10/11/2019 5:19 PM
14	We are based in a quiet, rural part of the parish yet close to the beautiful coastline. This is what we and our visitors like and why we get high repeat custom. We use public transport (rail and air) to get to our work up country and rely on internet access to run all our businesses.	10/11/2019 4:51 PM
15	We do not want the low end businesses establishing themselves in Perranporth, it would be nice if the town was a bit tidier, prettier and aimed for the middle to high end of the tourism market.	10/11/2019 4:02 PM
